MEMORANDUM FOR: Deputy Director for Management and Services
SUBJECT : Elimination of Regional Support Functions in [REDACTED]

25X1A

1. In view of the Agency's position ceiling reduction now in process, and the Director's desire to perform regional functions from Headquarters insofar as possible, your concurrence in eliminating the following positions by 30 June 1974 is requested:

Regional Medical Staff

No. 1022	GS-15	Medical Officer	1
No. 1023	GS-11	Medical Technician	1
No. 1024	GS-07	Sec-Steno	1

Regional Security Staff

No. 1025	GS-15	Security Officer (Chief)	1
No. 1027	GS-12	Security [REDACTED] (2 of 2)	2 25X9

2. While the Chief of Station [REDACTED] has recommended that the security officer currently [REDACTED] be retained, we believe that this position must also be eliminated when the current incumbent completes his tour in 1974 in order to assist in reducing the [REDACTED] Station to a strength compatible with its essential mission. We are in the process of reducing the [REDACTED] Station by some [REDACTED] other [REDACTED] positions.

10 to 12:

I reluctantly go along with
this ceiling reduction. I wish to
emphasize however that such a
reduction will dramatically reduce
the timely security responsiveness
to the European and surrounding
areas and hope the DDO recognizes
